

Snowbot Terms & Conditions of Service

Effective Date November 18, 2023

Acceptance of Software Terms

Welcome to the Snowbot Web3 Cardano Experience. The Snowbot Experience is a platform for artistic expression and entertainment purposes only. As a user of the platform, you agree to expect no monetary value in return for our services or participation in our platforms, mints or other activities across Discord, X, Instagram and other social media platforms.

We offer commands, artistic tools and games for Discord users as defined in the Snowbot Terms of Service ("Terms") set forth here. The Terms are incorporated by reference into these Software Terms, and also govern your use and access of the Snowbot Software.

These Terms and Conditions ("Software Terms") constitute a legally binding agreement between Snowbot ("Snowbot", "Snowbot Software", "we", "us" or "our") and each registered or unregistered end user (each, a "User", "you" or "your") of the Snowbot products and services located at <https://snowbot.cloud> or such other URL as may be designated by Snowbot from time to time, and on any platforms the Snowbot Software is present. The Software Terms regulate your access to and use of the Snowbot. By accessing and using the Snowbot Software, you are deemed to have read, accepted, and agreed to be bound by these Snowbot Software Terms. We may change or amend these Software Terms at any time at our sole discretion. Any changes to these Software Terms will be in effect as of the "Effective" date referred to at the top of this page.

Overview

The Snowbot Platform provides users with the ability to tip certain digital media and Cryptocurrency ("Crypto Asset") via Discord and the web. We facilitate transactions between users, but we are not a party to any agreements between users of Snowbot Software. For the avoidance of doubt, all transactions on the Snowbot Software are considered "Digital Assets". Snowbot reserves the right to be the final decision maker on any disputes arising from the use of Snowbot, including in connection with any deposit, mints, smart contract interactions, withdrawals or any other transaction with the blockchain.

User Wallet

In order to access and use the Snowbot services, you agree to create an account with us, during this process we automatically collect your Discord ID. This will be used to link your "Digital Assets" to your Discord Account. You agree that You will not use any wallet other than Your own, or access the wallet of any other user at any time, or assist others in obtaining unauthorized access. All information You provide to us during account creation will be treated in accordance with our Privacy Policy, which You are required to read also. You are responsible for any activity that occurs with your account. You also agree to allow us to store your On Chain wallet address.

Gas Fee

To deposit and/or withdraw Crypto Assets via the Snowbot Software service you agree to pay a transaction fee (a "Network Fee") for every transaction that occurs on the network as well as the cost to move your assets onto or off Snowbot Software. The Network Fee funds the network of computers that run the decentralized network. This means that you will need to pay a Network Fee for each transaction.

Withdrawals

Snowbot provides users with the ability to generate and mint Crypto Assets to Snowbot accounts. We are obligated to process a withdrawal request made by you only to your External Wallets and such External Wallets must be all the time under your direct or indirect control and shall not be under the control of a third party. You hereby represent and agree that you will issue a withdrawal request only to the External Wallet assigned to you and not to any third-party owned External Wallets. By withdrawing Crypto Assets via the Snowbot Software service, you agree to pay a Gas Fee.

Assumption of Risk

Any transaction you make, you accept the results of the transaction will be entirely at your risk. You acknowledge that you have obtained sufficient information to make an informed decision to transact a Crypto Asset, including carefully reviewing the code of any smart contract involved and fully understand and accept the functions of the same. Be aware we utilize third party open and closed source software hosted in the cloud which has risks associated with it as well. You acknowledge and accept that you understand all the risks and possible results (even negative results) associated with any transaction on our platform (s) and bear the risk and responsibility for any results of transactions associated with your account.

Minimum Limits

You hereby acknowledge that Snowbot reserves the right to set the minimum limit of crypto assets you can generate or withdraw and will notify you regarding limits before completing any generation or withdrawal request associated with your account.

Loss of misdirected funds

The Snowbot platform consists of the use of Bot Software which supports various commands available on the Platform and web. By using such Bot Software commands you are directing Snowbot to perform specific actions, for example, to transfer crypto-assets to other users of the Snowbot Platform, which is conditioned to your specific command. You hereby agree that the Bot Software's performance may be command sensitive, and if you use a wrong command, or make typo mistakes, this can lead to loss of crypto assets or wrong or unintended execution of commands. You agree to indemnify and waive Snowbot of any loss or misdirected funds due to your incorrect use of command or wrong command prompt made by you.

Crypto Asset Ownership

By using and accessing the Snowbot Software, you acknowledge and agree that all ownership to any crypto assets stored in the Snowbot account shall remain yours at all times and shall not be transferred to us. You acknowledge and agree, to bear all risks and loss related to such crypto assets. Snowbot shall have no liability for fluctuations in the value of crypto assets stored in your Snowbot account. You own and control all crypto assets stored in your Snowbot account.

Termination

We reserve the right to suspend, restrict, or terminate your access to any portion of the Software, any functionalities, including any use of our services, in our sole discretion, effective upon sending a notice to you.

Termination Concerns

When your account or wallet has been terminated, we retain the right to withhold all fees, and liabilities you owe us from your available balance. You will be given five business days to withdraw your remaining crypto funds from your wallet or account.

Refund Concerns

All generations, withdrawals, deposits or transactions made on the Snowbot Platform are final and irreversible; Due to the nature of our Snowbot , there shall be no refund for any transaction on Snowbot. Please be sure to review your transaction details before proceeding to initiate your transaction request.

Jurisdiction

These terms and conditions, Snowbot software and agreements shall be governed and construed in all respects by the laws of the United States.

Support

If you have any questions or comments about the Snowbot site or these Software Terms please contact the customer support team by opening a support ticket in our discord.
